Life Lesson of the Month: What is a Goal?

Goals are like dreams, but they are different. A goal is more than a wish: A goal is a dream you work hard to make come true.

Why are goals important?

- They motivate us
- They help us plan for the future
- They give us a purpose
- They make us feel proud and satisfied when we reach them

Hours of Operation

Closed Mondays
Tues - Sat: 8am - 8pm
Sunday: 8 am - 8pm
